

NEWSLETTER Thursday 15th June 2023

Dear Parents,
We've had a busy return to school and the rest of the term is shaping up to be the same. Read on for all the latest news.

LANDSCOPE LEARNERS

Class 2 had an exciting visit from a firefighter last week who talked to us about the importance of fire safety and how we can prevent a fire - 'switch off, turn off, unplug'. The children asked some great questions and were very engaged to find out more.

Class 4 are delighted with their hand-sewn drawstring bags, designed in their summer DT unit of work. Perseverance was a much-needed quality for many! The children can't wait to present them to their chosen recipient!

Class 1 – vets of the future?!

'Thank you' to Rachel for visiting us and teaching us all about her job as a vet during her amazing 'hands on' workshop.

PE UPDATE – It's been a busy two weeks of activity and fun

HAVEN BANKS

Classes 1,2 & 3 had the most memorable day at Haven Banks! They enjoyed different activities across the day – including bell-boating, artificial caving and archery. We were so impressed with how all of the children got stuck into the activities. **Class 3** also completed, paddle boarding and raft building. What a fabulous day of adventure!

COMMUNITY SPORTSDAY

Well done everyone who braved the sunshine and humid weather! It was great to have so many different events arranged by Mr Tanner. Despite the early finish the children had a fabulous time. Here are a few photos for you to enjoy.

ETHOS & VALUES

As part of our work on sustainability and caring for our environment our Ethos group have joined up with Sustainable Staverton to look at how we can work together. Part of this work is around a pledge for nature. Sustainable Staverton are holding open gardens next Sunday and have asked that we share this information with you, should you wish to visit a garden or two. Please scroll down to the end of the newsletter where you will find a map of this event.
